

# Palo Alto Puzzle Hunt

4

Mae is walking her dog with a pal. To find out where they are going, solve the puzzle below. Start in the upper left corner and end in the bottom right corner. As you move from square to square, you can either match the shape or the color. Move horizontally or vertically, not diagonally. The shortest path is the correct one. Convert the numbers on the path to letters using the code A=1...Z=26. Enter the answer for this puzzle's location. Go there to get a clue for this week's meta-puzzle.
