

# Palo Alto Puzzle Hunt

2

Lexi is going for a walk with her pal, Ana, at the track. They like to play word games as they walk. Today they are trying to come up with as many three letter animals as they can. Find them all in the track below. One letter per lane. The unused letters will give you your answer. Enter the answer to get this puzzle's location. Go there to find a clue for the week's meta-puzzle.
